From this partnership, we will be providing curriculum and education to the students and alumni of these universities through virtual "Dinner and Learn" sessions. Leadership from our company will speak at these sessions providing insight as to how they became successful in radio, learn about the ever changing landscape of the audio industry, and learn about the different departments and operations of a radio broadcasting company. In addition, we plan to recruit 5 interns directly from AUC. The Dinner and Learn sessions will be kicking off this semester, and we plan to hold roughly 3-5 of these events per semester. The kick off to this program will be high level, but the dinner and learns will even more specialized, and even get into resume writing, and mock interviews, etc. Forward looking, we will plan to partner with AUC and other HBCUs to recruit for our fellowship program.	48	Chief Executive Officer SVP/Market Manager Talent Acquisition Manager
