JT

JT resides in morning drive but also pops up all over the station for fun local and music tidbits, special features, and the playful banter JACK-fm is known for. JT is one of the only DFW radio personalities to have lived and worked in the market for his entire life and career. JT is a graduate of Texas Christian University in Fort Worth and is known for his client and listener engagement. A true music and radio geek, as the station's Brand Manager he curates the music playlists and creates the iconic liners from the JACK FM "voice."

7:20 GAME

JT hosts the 7:20 Game weekday mornings starting at 7:20 Game. The "hottest game in DFW radio" with the quirkiest rules. We're on-demand and you're in control. Every song is a request but the song you pick must start with the last letter of the last song played. Songs that start with the letter "N" create an "open" category, and JT reserves the right to veto any song with Rick Astley!

FIVE 90s AT FIVE

Every weekday afternoon at 5pm 100.3 JACK-fm plays 5 90s songs in a row. From rock, to pop, to hip hop and the songs you forgot, JT hosts this trip down music memory lane. We'll also play audio from the big moments in pop culture when these songs were on the radio (News, Movies, TV Shows, etc.).
